

**Rotary David Hack Memorial Classic Car Show. Plus Retro Aero display and "Fly in"**

**Toowoomba Airport**

The SCARAB HQ tents were set up early on Sunday morning. There were around 300+ Classic Cars on show, and 30+ retro aircraft staged incredible static and dynamic displays all day. although the weather was threatening, the rain held off until we drove home on Monday, when we were drenched by torrential downpours!. Congratulations to trophy winners Rowan & Jo in their red Hot Rod. Thanks to Club Treasurer Keith for planning this Event.
